

# THINK!

## WHY A&E?

# CHRISTMAS OPENING TIMES

There will be a range of health services available over Christmas and New Year should you need them. The festive period is one of the busiest times of the year for the NHS. Please help to keep A&E free for those who really need it.

## NHS 111

NHS 111 is a free telephone service available 24 hours a day, seven days a week. You should call 111 if you urgently need medical help or information but your situation is not life-threatening. When you dial 111, you will be directed to the best local service for fast and effective treatment.

## Walk-in and same day centres

These centres provide consultations, guidance and treatment for a range of minor injuries and illnesses, as well as emergency contraception and sexual health advice.

The Walk-In Centre on Whitegate Drive in Blackpool will be open from 8am to 8pm every day through-out the Christmas period, including bank holidays.

The Same Day Health Centre in Fleetwood will be open from 8am to 10pm everyday through-out the Christmas period, including bank holidays. Please call 0300 123 1144 to book an appointment at the Same Day Health Centre before visiting.

## Your GP surgery

GPs will be open as usual in the run up to Christmas but closed on the bank holidays (Christmas Day, Boxing Day, 27 December and 31 December to 2 January 2017).

Many GP practices will be opening for longer between 19 December and 4 January 2017 to offer extra appointments in the morning and evening for those that need them. To make an appointment call your GP practice as usual.

If your child becomes ill and needs to see a doctor, your GP practice will be able to offer you an appointment on the same day so that you don't need to go to A&E or the Walk-In Centre.

# Pharmacies

Pharmacists offer a range of health services. As well as dispensing prescriptions and other medicines, they can provide free advice without the need for an appointment.
